## The Winter 2014 Baltimore Auction

On behalf of Stack's Bowers Galleries, welcome to the November 2014 Official Currency Auction of the Whitman Coin & Collectibles Baltimore Expo. We encourage you to participate in our final sale of the year, which consists of just over 1,200 lots of American currency. The strongest area of this session is undoubtedly obsolete bank notes, featuring many great rarities. Also noteworthy are some outstanding large size federally issued bank notes.

We begin with Part II of The Peter Mayer Collection of Obsolete Bank Notes. Mr. Mayer has been recognized as one of the hobby's leading collectors, and has assembled an incredible obsolete bank note collection with several world-class proofs, including a most impressive \$10 of the Salem Bank of Salem, Massachusetts. This particular proof features an incredibly rare historical vignette. The Peter Mayer Collection Part I, which sold at our August 2014 Official Auction of the ANA World's Fair of Money in Chicago, brought record prices and sparked new interest in the obsolete market.

Among other fine consignments, selections from The Anderson Collection continue and include the finest known 1882 \$20 Gold Certificate Triple Signature, graded PCGS 64PPQ.

As we bring our 2014 paper money calendar to a close, we are preparing for our 2015 auction schedule, which promises many significant events. We are excited to continue with Part III of The Peter Mayer Collection, to be presented at our March 2015 Whitman Coin & Collectibles Baltimore Expo.

We wish the best of success in the sale to all bidders and consignors! We look forward to seeing you in Baltimore.

Enjoy the paper,

Peter A. Treglia

Director of Currency

## The Peter Mayer Collection

**Peter Mayer**, born March 8, 1946, was raised in Rutherford, New Jersey, the only child of a single parent. As a young boy he became interested in stamp collecting and begged his mother to allow him to give up a paper route to work in a local stamp/coin store. Coin collecting soon became his area of interest due to their historical significance. He went

on to Waynesburg University in Pennsylvania, graduating a history major with a BA cum laude, a member of the International Honor Society in History, and receiving the Annual History Award for scholastic achievement.

He began a career in sales selling credit reports for a Fortune 500 company. Always competitive, be it in pick-up basketball games or as star pitcher on the company softball team, Peter had a successful career winning numerous national and regional contests and citations for outstanding sales leadership and achievement, as well as Best in Nation, earning him trips to Spain, Hawaii, and California.

While he was excelling in sales, his coin hobby slowly evolved into weekends at local coin shows as he became more involved with buying and selling at a dealer level. During this time he formed significant collections of United States type coins and Civil War tokens.

In the early 1990s, Peter became more interested in obsolete currency. He left his sales position after 25 years to become a full time coin/currency dealer. Peter focused on collecting Proof and Issued notes from the New England states, New York but especially his home state of New Jersey. The 1990 ABN sale by Christie's was the catalyst Peter needed to

begin his Proof collection. He acquired many great notes in the ABN sale, but he also kept meticulous records of who outbid him for notes and later acquired them from other collectors. His love of obsolete currency and their historical vignettes led him to becoming one of the leading experts in the country. He was also one of three people who attended in person all 18 parts of The Schingoethe Collection, where he also acquired many great notes.

Many vacations were spent antiquing and seeking out every volume of *The Rover Boys' Series* by Arthur M. Winfield. On occasion in some roadside barn he would find good deals on coins or paper money. In his community, Peter, an avid reader, joined the Friends of the Library helping with fundraising. He was a political community advocate, and pitched for two local softball leagues, retiring after winning several team championships.

In January of 2011, Peter was blessed with a granddaughter, Rachelle Eleanor, named for his mother Eleanor Mayer. He enjoyed showing her his collection as much as she enjoyed joining him in his office at every opportunity. A rare blood cancer felled Peter on his 68th birthday, March 8, 2014. Whether he is thought of on the softball field, at coin and paper money shows, or in the town where he resided and that he loved so much, he will be remembered for the generous, genuine, and kindhearted individual that he was. A common thread among those who worked in sales with Peter and those who knew him through the collecting community was Peter's willingness to share his knowledge, wisdom and passion mentoring others.

His family, wife Ruth and son John, wish the next guardians of these precious notes to cherish them as much as Peter did.

# THE WINTER 2014 BALTIMORE AUCTION

SESSION 3

THURSDAY, OCTOBER 30, 2014  
START TIME: 6:00 PM ET  
LOTS 2001-2652

## COLONIAL NOTES

- 2001 GA-75a Georgia. 1776. \$4 Blue Seal. PCGS Extremely Fine 40.** No. 1979. Blue Liberty Cap seal. Black and red print. Five Signatures. A bright and lightly circulated example of this scarce Georgia seal type. The color is excellent for the grade though the seal fades off a bit on the left side. The paper quality appears flawless with no repairs or damage apparent. It is difficult to determine what kept this well embossed note from receiving the PPQ designation. A quite attractive example from this popular series.

## Iconic Landing of the Pilgrim's Vignette from Plymouth

- 2113 Plymouth, Massachusetts. Plymouth Bank. ND (May 1, 18xx). \$10. About Uncirculated. Proof.** (MA-1000 G124). Toppan, Carpenter & Co. India paper only. Title across center, to right, ornate gray shaded X. Upper left, title at top, "Landing of the Pilgrims, 1620". Busy scene with numerous figures, Pilgrims and Indians, that are identified by Roger H. Durand in his "History" vignettes volume. Lower right, Liberty as an Indian princess. An iconic and intriguing custom vignette type. One of the great historical vignette scenes in the entire obsolete note canon. Nearly all the known notes with this vignette are proofs and for all denominations that number is clearly less than ten examples. We have handled a few and the last brought a stellar result in the March 2014 Baltimore Sale. That \$5 Proof realized \$6,462.50. This proof is whole with a few tiny edge splits and some handling. It projects boldly and is a perfect fit for any high end collection of obsolete notes or numismatic Americana.

- 2114 Provincetown, Massachusetts. Provincetown Bank. December 1, 1854. \$50. Uncirculated. Proof. (MA-1030 G14) Bald, Adams & Co. New York. Bald, Cousland & Co. Philadelphia. India paper only. Commerce reclines on bales, female portrait lower left. This Cape Cod bank is quite rare and if there was no 1990 American Banknote Company Archive Sale, the notes would border on impossible to find. This protector-less proof is top notch quality for the bank. A light ABN ink stamp at the back end, but with little show through. A beauty.

- 2115 Provincetown, Massachusetts. Provincetown Bank. December 1, 1854. \$100. Choice Uncirculated. Proof. (MA-1030 G16) Bald, Adams & Co. New York. Bald, Cousland & Co. Philadelphia. Left, Sail ship. Another lovely example of an ABNC note which is still quite scarce. A light ABN ink stamp at the back end, but with little show through. A stunning example and would make a lovely pair with the \$50 we are offering in the previous lot.

- 2116 Salem, Massachusetts. Naumkeag Bank. ND (18xx). \$1. Uncirculated. Proof. (MA-1125 G6c). Terry, Pelton & Co., Boston & Providence with "abc" monogram. India paper mounted on original card. Top center, view of Essex Street in Salem. Left, Indian wields tomahawk. Right end, early locomotive. Plated and discussed in Roger Durand's "Architecture" volume, page 87. Interesting plate with the note engraved in the 1830's by Terry & Pelton, but used much later into the 1860's with an additional monogram of the American Bank Note Co. Further, finely engraved are the names of the cashier and president of the bank discretely placed over the title. A very unusual feature. Small oval POC, one in each signature block. A private purchase directly from Roger Durand's collection.

# Extremely Rare “Charge of the Zouaves” Vignette Unique-Haxby Plate Note

- 2117 Salem, Massachusetts. Salem Bank. ND (18xx). \$10. Uncirculated. Proof. (MA-1130 G156a) National Bank Note Co. India paper printed on card. Green frame and panel. Left, Lady liberty seated resting foot on cornucopia. Center, “charge of the Zouaves on Roanoke Island”. This note is unique and is the Haxby plate note. Extremely rare vignette which can only be found on this note and the Hampden Bank of North Castle, NY \$2. According to Rodger H. Durand’s Interesting Notes book, The vignette shows the “Charge of the Zouaves” which was the 9th infantry regiment prepared for the battle which took place on Roanoke Island in 1862. They received there name because of their outfit which was modeled after the famous mercenaries, the Zouaves from the Algerian Kabyle tribe of Zouaoua who fought for France. The note is sensational and without question one of Peter’s favorites. Certain to draw wide attention of its historical importance. Our estimate could very well prove conservative as this is the first auction appearance we are aware of for this trophy obsolete bank note.

Top center, view of the Shelburne Falls, mills to left. Left end, Liberty standing with tall 1. Lower right, girl churning butter. A custom scene for the bank series. Fully issued, but back noted "Has been redeemed" and lightly cut canceled in the center. Very tight New England trim, but problem-free and attractive.

Possibly Haxby plate note. A lovely example which shows with great color and eye appeal. Lower left corner shows a minor repair. Some paper thinning is noticed on the back but does not effect the overall eye appeal.

- 2120 Worcester, Massachusetts. City Bank of Worcester. ND (18xx). \$5. Choice Uncirculated. Proof.** (MA- 1315 G8a SENC) Danforth, Wright & Co. New York & Philadelphia. Printed on India paper mounted on archive book card. Lower right, orange protector lathe die outlining white 5. Title and obligation across the top, bottom center, man and women shoe makers. Yet another very striking Massachusetts obsolete proof rarity. Only three examples of this SENC/Unlisted series type in the 1990 ABNC Sale. Superb combination of security devices with color counters, intricate black dies and the patent entered Durand linear grillwork. The layout balance is quite lovely. Nearly perfect quality.

## Unlisted Army of Mississippi Sutler Note

- 2124 Sutler, Location Unknown. S. K. Smith, Army [of] Miss. [issippi]. August 1862. 50 Cents. Good to Very Good. Backed. (Haxby-Not listed; Keller MS-SA050 Unlisted Denomination)

Printed in all blue on white paper bill of lading likely (see Ford X: 4300). Ornate end panel frame, flat frame lines on the top and bottom. At the top center, train heads east. Obligations across. A great title and unlisted denomination. This issue is quite historic and the only other note of the sutler we have catalogued came from the collection of the Chase Manhattan Bank Money Museum of odd denominations and unusual American currencies. According to Douglas ball in the 1980 Memphis catalogue, that note was issued during their Tennessee campaign in 1862. This issuer missing from the comprehensive Grover Criswell Kagin's 1977 ANA Sale Collection and the Byron Cook Collection. The corners are a bit rough, but the backing increases the paper integrity overall and the color is bold. Important as an unlisted type.

Est. \$1000-\$1500

- 2125 Kenne, New Hampshire. Cheshire Bank. ND (18xx). \$1. Choice Uncirculated. Proof. (NH-146 G4) Rawdon, Wright & Hatch, Boston. Printed on card. Small train at top center, lower left, cameo. Lower right, seated Agriculture in oval. A scarce bank and seldom observed vignette. Impeccable quality and seen without cancellations of any type. Certainly an offering collectors will appreciate.

A rare higher denomination for this series and the first we have handled. Large red "TWENTY" protector at lower center and several punch cancels at the signatures. Some minor edge damage but largely intact. Classic "Out to Lunch Vignette."

Est. \$800-\$1200

- 2127 Elizabethtown, New Jersey. Corporation of Elizabeth. 9 Cents. September 26, 1814. Fine Net, previously mounted. Wait Unlisted. No imprint. Simple uniface print. A very scarce early city scrip piece. Only the 3 cent denomination is listed in the New Jersey reference (R-7). We have seen one other denomination sold, a 2 cent note, about ten years ago. Some minor mounting remnants seen on the back but the note faces up rather well for the grade.

Est. \$500-\$700

- 2128 New Brunswick, New Jersey. Old Fountain Company. 25 Cents. September 16, 1815. Fine. Wait Unlisted. Deare & Myer. No. 841, Plate D. Nearly identical in design to Wait 1678 (R-7) though that note has the imprint L. Deare, meaning Myer must have joined or departed the firm at some point during the time these notes were being produced. "XXV Cents" and "25" in left panel, "25" and "Twenty-five Cents" in right panel. New Jersey Coat of Arms upper left over imprint, large "25" to its right. Signed by John Bray. The print remains strong for the grade. A few small edge nicks observed. Undoubtedly scarce.

Interlocking hexagonal patterns make up the brilliant under-printed design with "TWO" surrounding "2" at center throughout. ## Unique Three Dollar Manufacturers and Traders Bank Color Proof

- 2132 Buffalo, New York. Manufacturers and Traders Bank. ND (18xx). \$3. Choice Uncirculated. Proof. (NY-430 G6a SENC) Danforth, Wright & Co., New York & Philadelphia. India paper mounted to card. Shoe maker vignette at center with shield and buffalo. State die at upper left. Intricate left end with "3" and "THREE." A proof that was once part of the 3-5-5-10 sheet originally offered in the 1990 ABN sale as lot 1102. This is the only known proof of this denomination with all from the series shown as SENC in Haxby, save for the One Dollar notes. This appealing layout shows with interlocking hexagonal under-printing with heavy lathe work and "THREE" at all sides. The only note from the sheet to employ such under-printing with the Five and Ten Dollar notes showing white space. Sensational quality and with only a tight left margin to mention. Certainly a piece that will be a highlight in any collection it enters.

## Possibly Unique 25 Cent Strawberry Grounds Error

- 2184 **Utica, New York. Strawberry Grounds of T. Buchanan, Jr. 25 Cents with 5 Cent Counter Error. November 1, 1862. Very Fine, Minor Stains.** Harris Unlisted. Curtiss & White, Utica. Large red strawberry left, red "5" counter in error at top right. Title and clause printed in blue. Red overprint "Security Deposited with ONEIDA BANK." Back printed in blue. Unsigned and very possibly unique. These notes were used for the purchase of strawberries and entitled the bearer to a twenty-five percent savings. This note secured two and one-half quarts of strawberries which sold at a rate of twelve and one-half cents per quart. If the strawberry crop were to fail these notes could be converted into current bank bills in sums of one dollar or more at the Savings Bank at 167 Genesee Street in Utica.

The Harris reference lists only five cent and ten cent denominations for this issuer. It is possible that this twenty-five cent denomination went unissued due to the error involving the incorrect counter at top right. This example is well printed with strong color and solid paper. Just a few trivial stains are observed.

Est. \$1000-\$1500

Liberty left leaning on state die. Eagle top left center, women at right. A sensational proof impression of this design that typically is only encountered in spurious form with red or green tints. ## Unique Waverly Bank \$20 Color Proof

- 2189** Waverly, New York. Waverly Bank. ND (18xx). \$20. Choice Uncirculated. Proof. (NY-2900 G18a SENC) Danforth Wright & Co. New York & Philadelphia. India paper mounted to card. Circular state die at center. Male portrait lower left, "Mr Tyler." "TWENTY" in scroll work left and large hexagonal "20" die at right. Once part of an uncut pair originally sold in the 1990 ABN sale and later in Schingoethe Part 1, Lot 3011 also as an uncut pair. The \$10 note from this sheet was sold in our Stacks 52 Collection Part I as lot 5662 and realized \$4,887.50. This \$20 design is certainly more appealing with an under-printed design styling similar to the Niagara County Bank One Dollar. A proof that we believe to be unique and certainly will see strong participation from bidders.

A beautiful full tint note with large 6 protector at center. Large nautical vignette with multiple sailing ships is seen at top center. Notes from the Asheville branch are more scarce than Greensboro, Salem and the like which are normally seen. This example has great color and full margins. Some minor hinge remnants seen on the back do little to detract from appeal of this classic odd denomination type. A Fine \$6 of this design from the Greensboro branch realized \$1528 in our June Baltimore auction.

**Est. \$1000-\$1500**

- 2192 **Wilmington, North Carolina. Bank of Cape Fear. ND (18xx). \$9. PMG Choice Uncirculated 63 Net. Missing Corner. Proof.** (NC-90 UNL) Bald, Cousland & Co. Philadelphia. India paper on card. Bank title at center and state name at right cut out for likely use on printer's model. A rare unlisted Proof of this popular odd-denomination North Carolina note. The missing corner mentioned by the grading service is in the selvage well outside of the design. Possibly unique.

Est. \$500-\$800

## Rare Daniel Boone Historical Vignette

- 2196 Delaware, Ohio. Bank of Delaware. ND (18xx). \$10. About Uncirculated. Proof.** (OH-201 G8a Unlisted. Wolka 1019-09) Rawdon, Wright, Hatch, & Edson, Cincinnati & N.Y. India paper only. Green grill panel bottom center with protector TEN. Top center, over title, titled vignette (under left portion) of Boone Rescued by Kenton engraved for RWHE and used on very few notes. Simon blasts away at tomahawk-wielding Indian, Daniel Boone on the ground. Lots of action in the forest background, the fort at Boonesborough in far right distance. Lower left, "cheerleader" style girls with wheat. Right end, rare map of Ohio with extreme details of county names engraved. Counters in upper corners. Durand History, pages 107-109. Rarity-7. Another key historical vignette type used on only two different obsolete notes, one a municipal scrip. As can be seen from the low grade plate note in the Durand History volume (ex Muscalus sales?), this is a great rarity. Though this color proof is in far from perfect condition, it has been restored well to complete the integrity and enhance the eye appeal. The lower left had former crude repairs that are now stronger. When this proof came to Smythe back in 1994, it came out of a family archive, and it was the only example. Ex Stacks 52 Collection Part II. Lot 3654.

## Very Rare Choctaw Nation Reissued 1865 50 Cents Note

- 2200 **Armstrong Academy, Indian Territory. National Treasurer of the Choctaw Nation. March 1, 1863 Reissued 1865. 50 Cents Choctaw Treasury Warrant. Fine to Very Fine.** (Haxby-Not listed; Shull Cr.CHOC01, listed as Rarity-10; Burgett-1). Uniface. Printed on green rag paper. Typeset within plain frame lines. Left end with floral repeating pattern. Similar to 1987 Ball-Richmond Sale: Lot 1096. Similar to Schingoethe Part 11: Lot 3793. Serial 413, Series 1. Written issuance and back countersigned by Allen Wright and reissued in 1865 with 5% interest. Rarer reissued type from the Act of 1865, Shull estimates 5-15 known. Two examples in the Ford XX Sale, both ex Maurice Burgett collection. Those both superior to this, the Shull plate note example (lot 3113 from that sale) might be the finest extant. That note brought a lofty \$11,500.00 at a heated auction sales room. This example bold from the face and shows it wear more so from the back. Slightly blurring back reissuance, but overall fully issued and quite rare. Not often offered with the Ford XX sale selection being the last significant selection of the Choctaw Treasury Warrant rarities.

Est. \$3000-\$4000

- 2201 **Armstrong Academy, Indian Territory. National Treasurer of the Choctaw Nation. March 1, 1863. \$1 Choctaw Treasury Warrant. Very Fine.** (Haxby-Not listed; Shull Cr.CHOC02, listed as Rarity-10; Burgett-2). Uniface. Printed on light blue rag paper. Typeset within plain frame lines. Left end with floral repeating pattern. The type missing from Ball-Richmond and Schingoethe core collections. Shull estimates 5-15 known, but perhaps slightly liberal. Two examples in the Ford XX Sale. Serial 11, Series 1. Written issuance face, back not endorsed in any manner. A pleasing example with the back showing some fold wear. From the face, quite attractive. Choice for the note and another historic example.

Est. \$2500-\$3500

## Very Rare Choctaw Nation Reissued 1865 \$5 Note

- 2202 **Armstrong Academy, Indian Territory. National Treasurer of the Choctaw Nation. March 1, 1863 Reissued 1865. \$5 Choctaw Treasury Warrant. About Very Fine.** (Haxby-Not listed; Shull Cr.CHOC04, listed as Rarity-10; Burgett-4). Uniface. Printed on "peach or pink" rag paper. Typeset within plain frame lines. Left end with floral repeating pattern. Similar to 1987 Ball-Richmond Sale: Lot 1098. The type not in Ford XX (had an example that was not reissued. Serial 52, Series 1. Written issuance and back countersigned by Allen Wright and reissued in 1865 with 5% interest. Rarer reissued type from the Act of 1865, Shull estimates 5-15 known. A great rarity reissued and not in Ford's Collection. The Shull rarity rating might be conservative and considered the second rarest denomination from the series. Some perspective is in order about evaluating the very rare and historic Confederate era notes. At the time of the Ball-Richmond Sale in 1987, notes from this series were estimated in \$1,000-\$2,000 range at a time when rare proofs were estimated \$200-\$300. Nowadays, those proofs routinely sell for five to ten times those seemingly ancient days. We have always considered the Confederate era Indian Territory rarities to be undervalued. Many of the greatest paper money collectors of all time greatly appreciated them such as Amon Carter, the Schingoethe's, Maurice Burgett, Eric Newman, and others. Faces up well excellent colors. Fold wear and some soiling on the back. Some edge nicks seen at the left and more noticeable when viewed from the back.

Est. \$3500-\$4500

- 2203 Choctaw City, Indian Territory. National Treasurer of the Choctaw Nation. 1864. \$100.00 [written] Auditors Warrant. Very Fine.** (Haxby-Not listed; Shull Cr.CHOC5, listed as Rarity 9; Burgett-1) Uniface. Printed on thin brown paper. Medium size part printed form. Local typeset in black, with floral pattern ends, without imprint. Typeset and written issuance. Similar to 1987 Ball-Richmond Sale (NASCA/Smythe): Lot 1099. Similar to Schingoethe Part 11: Lot 3798 and Part 9: Lot 2538. The wider Shull rarity rating is accurate based on our experience. Historic and rare Indian Territory warrant during the Confederate occupation. Fairly well printed and even margins. Slightly finer example brought \$3,450.00 in the Ford XX Western Sale in October 2007.

Upper left, Ceres seated and two standing Indians with shield. Ends, with same portraits as \$50. A second unique example from lot 1542 of the 1990 ABN Sale. The only example seen. - 2206 Lancaster, Pennsylvania. Lancaster Bank. 1857. \$500. Extremely Fine.** (PA-210 G76a). Toppan, Carpenter, Casilear & Co. Red 500 dies in upper corners. Center, under title, seated America with shield and bale. Bottom center, D with denomination on scroll. Fully signed and issued. Intriguing emission, has a counterfeit look to it at first. The back has cursively penned "Cancelled/Void" twice. Perhaps the bank did not like the look of the note and did not emit them to circulation. Very scarce and a sharp example. Bright and bold.

The only note from the entire series and first sold in the 1990 ABN Sale, lot 1743. Very stylish and early MDF proof. Boldly printed with trivial wrinkling in some corners. Ex Smythe Schingoethe Part 14: 1760.

## Spectacular Serial Number 1 Monticello Bank \$50

- 2220 Charlottesville, Virginia. Monticello Bank. 1860. \$50. Very Fine.** (VA-45 G28a, Jones BC25-35) American Banknote Company. A wonderful Virginia obsolete trophy note. This Monticello Bank \$50 was the first of its denomination to come off the presses at the American Banknote Company. That's right, this plate A note bears stamped serial number 1 at the left and right. The bank is named for the home of Thomas Jefferson which is located just outside of Charlottesville. The home appears in a large vignette which spans nearly the entire right side of the note. Liberty stands with a sword and shield at left. The same vignette is featured on the 1861 \$20 Demand Notes and 1863 \$20 Legal Tender Notes. Great vermilion tint retains vivid color in the counters and large L protector left of center. Vermillion microlettered grill in signature block. A contemporary endorsement is found on the back. These popular \$50s routinely sell in the neighborhood of \$2000. Our estimate for this extraordinary Serial Number 1 note may prove conservative and we would not be surprised in the least to see it eclipsed this evening.

## Impressive Civil War Dated Virginia \$7 Note

- 2221 Charlottesville, Virginia. Monticello Bank. 1861. \$7. Choice Fine.** (VA-45 G17a; Jones 7 Littlefield BC-25-19A). Danforth, Wright & Co. Red protector SEVEN. Center, under title, bay and white horses startled by train. Lower right, Virginia Treasurer's Office seal. Other three corners, counters. A very rare fully issued type and unusual. Hand dated July 1, 1861, a few months after hostilities broke out. It appears most were redeemed or destroyed. The few extant examples observed by us are low serial numbers (Haxby Plate-Jones Plate is Affleck #9 note for example). This is the finest quality example we have observed of four confirmed examples. Another top notch rarity from the Crusader Collection. Ex 2008 CSNS Rosemont Sale: 12557 where it realized just shy of \$2,000.

Red undertint with central female vignette at center. Hand dated Nov. 1st 1861. A scarce type overall and a superb example. ## Striking 1861 \$50 Virginia Treasury Note

- 2223 Richmond, Virginia. Virginia Treasury Note. Act of June 8, 1861. \$50. PMG About Uncirculated 55.** (Cr.2) Imprint of Hoyer & Ludwig Richmond, Virginia. Black print with red protectors. Virtus stands upon the slayed Tyranny in oval at left with motto "Sic Semper Tyrannis" below. The state motto of Virginia translates to "Thus always to tyrants." Ceres and Commerce are found with a large urn at top center. The same vignette is found on Confederate Type 28. Former president and noted states' rights advocate John Tyler is portrayed in the upper right. This is one of the truly great Civil War era Southern States issues along with the 1861 \$100 and \$500 Virginia Treasury Notes. This example is bright and boldly printed with great red color in the protector. The cut is above average with three full margins and cut just to the frame line at one point on the left edge. Just one light vertical fold and some corner handling accounts for the grade of this nearly Uncirculated note. We are baffled as to why this gorgeous Fifty did not receive the EPQ designation from the grading service as this note is as Choice for the grade as any we have been fortunate enough to entertain. An PCGS Choice About New 58 example we offered in March of 2013 realized an eye opening \$15,862. We would not be surprised to see this example eclipse our estimate of...

## Important and Perhaps Unique Staunton Hospital Sutler

- 2224 Sutler, Staunton, Virginia. H. Prince, Sutler, Staunton Hospital. ND (1860s). 25 Cents in Trade. Fine.** (Haxby-Not listed; Keller-Not listed. Printed in black on green cardboard. 45mm by 25mm. Simple two line frame, the inside darker than the outside. At the top bolded, "25 Cents". In the centers, "IN TRADE". Sutler printed below and at lower right title "Staunton Hospital". Issuer signature on back. Exceedingly rare, the only example encountered and perhaps unique. One of the most charming Sutler notes or chits from the Ford Collection and once hailing from the Boyd Collections. This is an important medical topical note and one of the few Confederate hospital issued scrip notes of any kind we know of. As a Southern obsolete item, ranks up with the "Deaf and Dumb Institute" imprint used on the extremely rare North Carolina State Criswell 23 type. This hammered at \$4,500.00 in the Ford X Sale at Atlanta in May 2005. Priceless is still appropriate.

No protector. Some of the later issued notes used red protectors. A very rare and sharp looking proof. This is one of three proofs of the type we know of and likely the finest. The face projection is awesome and the coin vignetted layout thoughtful. A beauty with a stellar pedigree. From our 2012 November Baltimore Sale, Lot 4279; Stack's Estate of Louis E. ## Rare Major O.P. Chaffee Issued T-41 with Special Military Orders

- 2277 T-41. **Confederate Currency. 1863 \$100 PMG Fine 15 Net, Repaired, Rust, Stained.** No. 158121, Plate X. PF-59. The story of Major Orestes Parmeno Chaffee is colorful, if not outlandish. By his own account he left his Ohio home as a boy and set out for Saint Louis. He worked for a time as an express rider with future General Joseph Johnston. He had settled down as a planter in Wilcox County, Alabama when the war broke out and soon after he enlisted as a private. After the Battle of Shiloh he was promoted to Major for "gallant conduct" on the field of action. He served on the staffs of Generals Braxton Bragg, J.K. Duncan, John Bell Hood, Joseph Johnston and Joseph Wheeler. After the war Chaffee claimed to be one of just a few former Confederates not to be granted general amnesty and he fled to Brazil where he served as a Major and cavalry inspector for Brazil in the Paraguayan War. Afterwards he farmed land he had been granted after his service but befell numerous hardships before returning to the United States in 1883. He worked in the U.S. Army Quartermaster's Office in Holbrook, Arizona where he was also the town's postmaster. Later his duties took him to Cuba and finally New Orleans. He died in Kansas City, Missouri in 1908. Chaffee's brother, Adna Romanza Chaffee was a Union soldier in the Civil War and was later a Lieutenant General who served as Chief of Staff of the United States Army from 1904 to 1906.

This T-41 was issued by Major O.P. Chaffee March 28, 1863. The manuscript is penned in bold inks and is fully legible. The note has a repaired tear and split through the manuscript that does little to disturb the outward appearance. Some rather insignificant rust and stains are also noted by the grading service. The Fricke reference gives Chaffee a R-14 rarity rating, approximately 2 known. The note is accompanied by a handwritten "Special Order No. 65" from Major General Joseph Wheeler issued at the Cavalry Corps headquarters at Gadsden, Alabama August 24, 1863. In part the orders authorize Major Chaffee to impress 45 horses for use of the artillery of the corps. The orders are in good overall condition with minor splits in a couple of fold lines. Both contemporary and modern sources commonly misspell Chaffee's name Chaffie. Our research indicates Chaffee is the correct spelling. A fascinating lot with background into the day to day workings of these Confederate staff officers.

## Fully Framed Choice Uncirculated T-42

- 2278 T-42. **Confederate Currency. 1862 \$2 PMG Choice Uncirculated 64 EPQ.** No. 185, Plate 9. PF-3. This is the nicest T-42 we have ever had the opportunity to offer and it is the second finest graded by PMG. This is a fully margined note with boldly printed black inks and bright paper. T-42s are notoriously difficult in find well cut and this is easily one of the better cut notes you are ever likely to find. PMG has graded one note at the Gem level and only this note in 64 EPQ. Many Confederate specialists would likely consider an Uncirculated note with these margins to be Gem but we will leave that to be decided by the bidding public this evening. The grading service notes "as made paper wrinkles" on the back of the holder. They are found at back left and are of little consequence. A terrific note destined for a fine Confederate type set.

One of the great type notes in all of American currency collecting, the “Silver Dollar Back” Five Dollar notes are known for their ornate beauty and striking design. The five Morgan Silver Dollars across the green back are known to stop many collectors and dealers in their tracks for a moment as their minds are taken back to a time when our money evoked the beauty and boldness of the nation. This example is no different with vibrant color, ample margins, and rich creamy paper.

## Coveted Five Dollar “Educational” Design

- 2371 Fr. 269. 1896 \$5 Silver Certificate. PMG Gem Uncirculated 65 EPQ.** A striking high end Gem Educational Five Dollar Silver Certificate. Many consider this note to be the pinnacle of American engraving on federal currency and we would have to agree. The design speaks volumes with highly intricate allegorical figures and the Capitol Building in the background. The impression is precise as well which gives this note detail that is second to none. Original paper adds to the desirability of the note and makes the inks pop off the paper. A design which is not offered nearly as often as collectors would like in this lofty Gem state of preservation. Worthy of a premium bid.

Est. \$15000-\$20000

- 2373 Fr. 269. 1896 \$5 Silver Certificate. PMG Choice Fine 15.** Although well circulated, this “Educational” Five Dollar note is found without any netting defects. Est. \$2500-\$3500

- 2381 Fr. 282. 1923 \$5 Silver Certificate. PCGS Very Choice New 64 PPQ. An impressive offering of this "Porthole" 1923 Five Dollar Silver Certificate design type that is offered here bordering on a Gem state of preservation. Lovely bold color of the blue overprints combines well with the fresh original paper stock. Just a touch low in terms of centering likely is the only limiting factor in grade.

Est. \$4000-\$5000

- 2382 Fr. 287. 1880 \$10 Silver Certificate. PCGS Fine 12. An always difficult 1880 Silver Certificate type and offered here with quite pleasing detail and color for the assigned grade. Seldom available in these Fine grades in problem free states.

- 2383 Fr. 293. 1886 \$10 Silver Certificate. PCGS Choice About New 55. The "Tombstone Note" is a long-standing favorite. Depicted within a tombstone-shaped frame is Thomas A. Hendricks, vice president of the United States under the first administration of Grover Cleveland, serving from March 4, 1885 until his death on November 25, 1885. Likely, when the Series of 1886 Silver Certificates were being conceived, Hendricks' passing was still being mourned, and President Cleveland approved of the posthumous honor conferred upon his erstwhile vice president.  
Est. \$6000-\$8000

## PCGS Gem New "Tombstone" \$10 Silver Certificate

## Rare 1878 \$20 Triple Signature Silver Certificate

- 2385 Fr. 307. 1878 \$20 Silver Certificate. PMG Very Fine 20 Net. Small Edge Tears at Top. The Series of 1878 Silver Certificates of deposit are often considered the rarest of the rare among Silver Certificates. The portrait is of American Naval Commander Stephen Decatur, who served in the Navy from 1798 until his death in 1820. This is the last of the 1878 series \$20 Triple signatures types. There are 16 total examples known for this Friedberg number, four are in government collections leaving a total of 12 examples available for collectors. The note retains a quite bold and unique for the 1878 series "TWENTY" protector in red at the lower left center. A few minor edge tears at the top are all that hinder the appeal of this otherwise lovely Very Fine example.

Est. \$30000-\$50000

## Important Fr. 344 1891 “Monroe” \$100 Silver Certificate

**2389 Fr. 344. 1891 \$100 Silver Certificate. PCGS Extremely Fine 40 Apparent. Minor Restorations in Corners.** This is an extremely significant offering. It is one of only 30 known examples, six of which are impounded in government collections. These \$100 notes, which were redeemable in silver dollars, are quite a bit more scarce than the \$50 notes of the same series. Production was halted prior to the turn of the century, whereas the lesser denominations were printed into the early teens. The present example shows with more appeal than the technical grade would suggest with a strikingly dark impression of the design and ample margins at all sides. Minor restorations at the corners are only visible under heavy scrutiny and with the last we handled bringing \$176,250 in a PMG About Uncirculated 50 grade, this Extremely Fine note will prove quite the bargain.

Est. \$60000-\$80000

## Illustrious \$1,000 “Marcy” Silver Certificate Design

- 2390 Fr. 346e Type. 1891 \$1000 Silver Certificate. Face Proof. PCGS Choice About New 58.** No plate letter. Printed on India paper, mounted on card stock. Imprint of the Bureau of Engraving and Printing lower left border. Black and white portions of the face only. Center, extremely intricate titles with ornate “S” within larger circular die, below the written denomination within a guilloche. Left end, Peace cradles sword to her chest with 1000 counter on shield. Right end, different portrait of Wm. L. Marcy than used on the 1878/1880 series within a panel. Engraved signatures. Very similar to Hessler 1411, page 95. A stunning execution of Federal currency engraving. When this face plate was used for a modern BEP souvenir card, it was very well received. There are only two known issued notes of the type with the one collectible example being sold privately by us for \$2.6 million. We are uncertain of the pedigree of the Hessler Plate note, but we presume this face proof is exceedingly rare. We sold another proof example on wide margin paper with perforations that brought an impressive \$111,625 as lot 2201 in our August 2014 ANA sale. An exceptional showpiece and a design that will likely never see the auction block in issued form in a lifetime.

**Est. \$70000-\$100000**

## Lot 2437

# Finest Known Thomas C. Acton Countersigned Gold Certificate

PCGS Very Choice New 64 PPQ

**2437 Fr. 1175a. 1882 \$20 Gold Certificate. PCGS Very Choice New 64 PPQ.** This magnificent Gold Certificate is the finest available Federally Issued note to bear a counter signature of Thomas C. Acton, the Assistant Treasurer of the United States during this banknotes issuance. The note can easily be considered the greatest 1882 dated \$20 Gold Certificate available to collectors with all seal and signature varieties considered. This cataloger would go as far to say that only the 1863 \$20 Gold Certificates eclipse this note in terms of desirability and the most recent offering of that type brought \$352,500 in a 2013 public auction for a note in a Very Fine grade.  
**Est. \$200000-\$300000**

- 2438 Fr. 1178. 1882 \$20 Gold Certificate. PMG Choice Fine 15. Appealing and problem free for the grade with just a bit of typical oxidization at the back design.  
Est. \$700-\$900

## Radiant “Technicolor” \$20 Gold Certificate

- 2439 Fr. 1180. 1905 \$20 Gold Certificate. PCGS Very Choice New 64 PPQ. Whenever we offer a high grade “Technicolor Note” all bets are off, and bids come from all directions. We expect this to happen when this especially choice example crosses the block. The \$20 “Technicolor Note” is an American favorite — landing it high on the popularity register. The motifs, with Gilbert Stuart’s popular depiction of George Washington on the face and the Great Seal on the back, are familiar on United States paper money. However, in this case the note’s color saves the day. Enough were made and enough were distributed that examples are readily collectible, especially in lower grades, although Choice Uncirculated pieces are scarce in relation to their demand. Deeply embossed overprints and strictly original paper are readily evident when looking through the encapsulation surface.  
Est. \$30000-\$40000

- 2440 Fr. 1200. 1922 \$50 Gold Certificate. PMG Very Fine 20. A small erasure is mentioned by PMG in the comments section of the holder on this otherwise pleasing Very Fine \$50 Gold Certificate.

- 2443 Fr. 1215. 1922 \$100 Gold Certificate. PCGS Very Fine 35. A grade that is not offered often for this \$100 1922 Gold Certificate type. The appeal is quite lovely and rivals that of higher grade material. Free from any problems and spectacular color is seen on the important back design.

Est. \$1500-\$2000

- 2442 Fr. 1215. 1922 \$100 Gold Certificate. PMG Choice Extremely Fine 45 EPQ. Excellent color and print quality is quickly appreciated when viewing this only lightly circulated 1922 \$100 Gold Certificate. The centering is ideal as is the nearly perfect registration. The color remains brilliant and the back print retains the vibrant orange brilliance so desired from this series. Just three light folds are observed on this note which easily earned the EPQ designation from PMG.

Est. \$4000-\$6000

## Scarce 1922 \$1,000 Gold Certificate

**2444 Fr. 1220. 1922 \$1000 Gold Certificate. PMG Very Fine 25 Net. Repaired, Small Tears.** This stunning design shows a portrait vignette of Hamilton at center, gold overprints at left and right, with “\$1,000” under-print at left and Treasury seal at right. This note, although not high grade, will still be highly regarded among collectors as it presents an opportunity for the budget minded collector to represent the type. The paper appears to have retained much of its crispness and the colors are quite bright for the grade. It appears the note has a couple of professionally repaired edge splits which is not uncommon for the grade and type.

Just a light centerfold accounts for the AU grade. The minor foreign substance mentioned by the grading service is found on the back left and is quite minor. The small tear is in the top left margin well clear of the design.

Est. \$700-\$900

### HAWAII

- 2607 Honolulu, Hawaii. \$100 1929 Ty. 1. Fr. 1804-1. The First NB. Charter #5550. PCGS Fine 15 Apparent. Minor Staining. Some minor staining is all that detracts from this always popular Hawaii national.

Est. \$500-\$700

### ILLINOIS

- 2608 Downers Grove, Illinois. \$10 1929 Ty. 1. Fr. 1801-1. The First NB. Charter #9725. PMG Very Fine 20. This highly elusive DuPage County charter is the first we can recall handling and is one of just five known small size according to Track and Price. Quite appealing and free from any netting defects. Certainly a piece missing in even comprehensive collections of Illinois nationals.

Est. \$1750-\$2750

- 2609 Belleville, Illinois. \$10 1875. Fr. 416. The First NB. Charter #2154. PMG Choice About Uncirculated 58. A strikingly bold example of this highly popular first charter period type. Sensational ink quality throughout provides precise detail of the vignettes at left, right and back center. Pleasing centering is observed considering this design is typically found with narrow margins.

Est. \$3000-\$5000

## Impressive Serial Number 1 Earlville, IL \$5 Brown Back

- 2610** Earlville, Illinois. \$5. 1882 Brown Back. Fr. 467. The First NB. Charter #3323. PMG Gem Uncirculated 66 EPQ Star. Serial Number 1. A boldly stamped lone number 1 stands out strikingly below the portrait of President James Garfield signifying that this note hails from the very first sheet of \$5 Brown Backs issued by this LaSalle County bank. This wonderfully original Plate B note is the first Serial Number 1 note to come forward from this bank large or small. Pronounced embossing is immediately recognized in addition to large even margins. The design is fully inked and presents with vibrant color. Hand signed signatures of bank officers Hoss and Wright are well penned and bold. This extremely well preserved note was one of the very first issued to the bank which was chartered March 16, 1885. Likely a presentation piece, this near Superb note received the new Star designation from PMG.

Est. \$8000-\$12000

## MARYLAND

- 2611** Baltimore, Maryland. \$5 1902 RS. Fr. 587. The National Exchange Bank. Charter #1109. PMG Very Fine 30 EPQ. A bright and evenly circulated \$5 Red Seal from this Baltimore bank that is well centered with broad margins. Bright red color is still possessed in the overprint and the stamped bank officer's signatures remain quite bold. There is an interesting numismatic tie-in with this bank. The bank's president Waldo Newcomer, whose stamped signature is found on this note, is one of the greatest American numismatists that you've probably never heard of. He was ahead of his time in collecting \$5 gold coins from 1795-1834 by variety. He collected every U.S. regular issue series along with patterns, colonials, encased postage, territorial gold and world gold. He even owned the unique 1870-S \$3 Gold piece as well as an 1804 Bust Dollar. His vast collection never sold at auction but was privately disbursed by B. Max Mehl, Wayne Raymond and others. Many of his coins ended up in the collections of Col. E.H.R. Green and Louis Eliasberg.

Est. \$1000-\$1500

## MASSACHUSETTS

## MINNESOTA

- 2615 Blue Earth, Minnesota. \$10 1902 PB. Fr. 624. The Farmers NB. Charter #7641. Very Fine. This bank name is among this catalogers personal favorite. A pleasing Very fine example that has retained excellent paper quality and eye appeal. The Cashiers signatures is full and clear while the presidents is barely visible. Overall, an excellent example of this popular Minnesota national.

Est. \$800-\$1200

- 2616 Heron Lake, Minnesota. \$10 1929 Ty 1. Fr. 1801-1. The First NB. Charter #5383. Very Fine. One of the great titles of all of Minnesota nationals is found on this evenly circulated Type 1 Ten. The First National was chartered in June of 1900 and issued all the way through to the end of the National Currency era in 1935. This note is rather bright for the grade with even circulation and full margins. Some pinholes are clustered in the far left.

Est. \$500-\$700

- 2617 Minneapolis, Minnesota. \$5 1929 Fr. 1800-2. The First NB. Charter #710. PCGS Very Choice New 64 PPQ. Serial Number 2. An uneven top margin likely is the only trait that prevented a Gem designation. Sharp original paper and great appeal otherwise. Desirable serial number of A000002.

Est. \$400-\$600

## MISSOURI

- 2618 Saint Louis, Missouri. \$5 1929 Ty. 1. Fr. 1800-1. The Security NB Savings & TC. Charter #12066. PMG Gem Uncirculated 65 EPQ. This note is from a small group of known Uncirculated notes on the charter and shows with pack fresh paper and deeply embossed overprints. - 2621 Glassboro, New Jersey. \$20 1902 PB. Fr. 652. The First NB. Charter #3843. PMG Very Fine 20 Net. Small Stain. Track and price shows just a scant eight large size notes on this Gloucester County charter with all being 1902 Plain Backs, save for a single Fine graded \$20 Brown Back. Still appealing signatures and problem free, save for a small stain.

Est. \$500-\$700

- 2622 Lakewood, New Jersey. \$10 1902 Plain Back. Fr. 624. The Peoples NB. Charter #7291. PMG About Uncirculated 55. Large size examples from this Ocean County bank are quite rare as just three notes are recorded in Track & Price census. Oddly, each note is a \$10 Plain Back from the same sheet with serial number 3735. This plate D note is the highest graded of the three and is only lightly handled, displaying bold signatures and original embossing. It has been 14 years since the last large size note was offered on this bank when the plate F note, graded Very Fine, realized \$3080.

Est. \$4000-\$6000

- 2623 Lakewood, New Jersey. \$10 1929 Ty. 1. Fr. 1801-1. The Peoples NB. Charter #7291. PMG Choice Uncirculated 63 EPQ. A vivid example of this New York charter that shows with only light circulation and lovely original paper. Nicely centered and it seems that a small spot stain at the portrait is reasoning as to why PMG did not apply an "EPQ" designation.

Est. \$800-\$1200

- 2625 Valley Stream, New York. \$5 1902 PB. Fr. 607. The Valley Stream NB. Charter #11881. PMG Very Fine 25. The bank was Elkins Park's only note issuing institution and was chartered in January 1927. It reported a total outstanding of \$33,000 in 1935. - 13556 Pittsburgh, Pennsylvania. \$5 1929 Ty. 1. Fr. 1800-1. The First NB. Charter #6301. Choice Uncirculated. An amply margined and crisp Type 1 \$5 from this bank owned by the Mellon family. Former bank president A.W. Mellon was United States Secretary of the Treasury at the time this note was issued with his brother, R.B. Mellon as bank president. Bold embossing is easily observed.

## Terms & Conditions

**1. Auction Basics.** This is a public auction sale ("Auction Sale") conducted by bonded auctioneers, Stack's Bowers Galleries or Stack's Bowers and Ponterio (hereinafter referred to as "Auctioneer" and at times as "Stack's Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack's Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer's Premium charged to all other Buyers. Stack's Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack's Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Stack's Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack's Bowers and its affiliates may bid for their own account at any auction. Stack's Bowers and its affiliates may have information about any lot that is not known publicly, and Stack's Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack's Bowers and its affiliates are not required to pay a Buyer's Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve ("Reserve"). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack's Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

**2. Descriptions and Grading.** Bidder acknowledges that grading of most coins and currency in this Auction has been determined by independent grading services, and those that are not may be graded by Stack's Bowers. Grading of rare coins and currency is subjective and, even though grading has a material effect on the value of the coins and currency, grading may differ among independent grading services and among numismatists. Stack's Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack's Bowers and lot descriptions are based solely upon an examination of the coins and currency and are intended to identify coins and currency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack's Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

**3. The Bidding Process.** The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids (excluding Internet bids) must be in increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded up or down to the nearest full or half increment and this rounded bid will be the bidder's high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted.

When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders" and "Live Internet Bidders"). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack's Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions (iAuctions), will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK'S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack's Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

**4. Bidder Registration Required.** All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualifying to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

**5. Buyer's Premiums.** A premium of seventeen and one-half percent (17 1/2%) based upon the total amount of the hammer (minimum of \$15), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the "Buyer's Premium"). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Premium.

**6. Payment.** Payment is due immediately upon the fall of the auctioneer's hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the "Default Date"), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in immediately available good U.S. funds, through a bank in the United States. Payments may be made by credit card, Paypal, check, wire transfer, money order and cashier's check. Cash transactions will be accepted in the sole discretion of Stack's Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack's Bowers for wiring instructions before sending a wire. We accept payment by Visa, MasterCard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack's Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack's Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to

pay reasonable attorney's fees and cost incurred to collect past due accounts. Buyers personally and unconditionally guarantee payment in full of all amounts owed to Stack's Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

**7. Sales Tax.** Buyers will be charged all applicable sales tax, including Buyers who pick up at this Auction or shipments to Buyers in California and New York without a valid Resale Certificate which has been provided to the Auctioneer prior to the auction. Please note that the purchase of any coin or bullion lot(s) with a price, including the Buyer's Premium, in excess of: (i) One Thousand Dollars (\$1,000), for auctions held in Maryland, are exempt from Maryland sales tax, and (ii) One Thousand Five Hundred Dollars (\$1,500) are exempt from California sales tax. These exemptions do not apply purchases of currency. Purchases of coins and currency are exempt from sales tax in Illinois. Purchases of coins and bullion are exempt from sales tax in Pennsylvania, but currency purchased at auctions held in Pennsylvania are subject to Pennsylvania sales tax. Please note, this is not, and is not intended to be, a complete description of applicable sales tax laws in all jurisdictions. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority.

**8. Financial Responsibility.** In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to

assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

**9. Shipping.** It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

**10. DISCLAIMER AND WARRANTIES.** NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AUTHENTICITY, AND PROVENANCE OF A LOT.

**a. COINS AND CURRENCY LISTED IN THIS CATALOG GRADED BY PCGS, NGC, ANACS CACHET, ICG, PCGS CURRENCY, PMG OR ANY OTHER THIRD PARTY GRADING SERVICE OR EXAMINED BY THE BUYER PRIOR TO THE AUCTION SALE MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BUYER, EXCEPT FOR CLAIMS RELATED TO AUTHENTICITY.**

**b.** For non-certified coins and currency that have not been examined by the Buyer prior to the Auction Sale: if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin or currency or the coin or currency is not authentic, such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence.

**c.** If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.

**d.** Late remittance or removal of any item from its original container, or altering a coin constitutes just cause for revocation of all return privileges.

---

## Terms & Conditions (cont.)

**e.** Grading or condition of rare coins and currency may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.

**f.** Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

**g.** All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

**h.** Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

**i.** Bidder acknowledges that the numismatic market is speculative, unregulated and volatile, and that coin prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

**j.** Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaired, uninterrupted or error free and accordingly shall not be liable for such events.

**11. Waiver and Release.** Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

**12. Disputes.** If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory interpleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other per-

son or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUCTION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

**13. General Terms.** These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

**14. Special Services.** If you wish to limit your total expenditures, please fill in the maximum amount you wish to spend on the MAXIMUM EXPENDITURE line at the upper portion of your bid sheet. You can then submit bids for amounts up to eight times the amount of the maximum expenditure. This is a personal service and a Stack's Bowers customer representative will personally attend to your bid sheet by bidding from the auction floor, buying lots for your account until your authorized expenditure is reached. While we will do our best in your behalf, due to the speed of the auction sale and the sometimes crowded conditions, we cannot be responsible for failure to execute such a bid properly. Due to the bookkeeping involved, this service is offered only to bidders with maximum expenditures of \$1,000 or more.

We invite you to take advantage of the optional 10% to 30% increase to help your chance of being a successful bidder. Check the appropriate place on your bid sheet.

Bidding in this auction sale constitutes unconditional acceptance by the Bidder of the foregoing terms of sale.

Please note: Transparent holders in which the auction lots are stored are to facilitate viewing and inspection of the lots and ARE NOT for long-term storage.

# Consign Your World and U.S. Coins, Medals and Paper Money to Stack's Bowers Galleries

This fall we continue this long-standing tradition, and invite you to consign your rarities to our Official Auction of the New York International Numismatic Convention (NYINC) (January 9-10) or to the New York Americana Showcase & Rarities Night Auction (January 28-30).

Your numismatic treasures can benefit from the prestige of a Stack's Bowers Galleries Showcase Auction or Rarities Night event, and can be cataloged by the same team that has achieved the highest prices realized at auction for over 80 years.
